**Plan for Compliance with California Public Resources Code Section 47115-47116 and
Minnesota Statutes 2015, Section 116.835 (Sharps Management)**

Alexion Pharmaceuticals supports the safe collection and proper disposal of waste sharp devices associated with any of its products that are intended for self-injection by patients at home.

Patients should store used syringes and pen needles in approved sharps containers and keep sharps containers out of the reach of children. Full containers should be disposed of in compliance with federal, state, and local laws and regulations.

Alexion Pharmaceuticals provides to its patients, licensed distributors, and licensed specialty pharmacies written instructions detailing the requirements for proper disposal of waste sharp devices. Alexion Pharmaceuticals works with its licensed distributors and licensed specialty pharmacies to provide its patients with approved sharps containers and disposal programs in accordance with federal, state, and local laws and regulations.

Alexion Pharmaceuticals trains its Customer Operations Group to provide instructions for the safe collection and proper disposal of waste sharp devices.

Alexion Pharmaceuticals will periodically review this plan and will provide updates to its patients, licensed distributors, and licensed specialty pharmacies and will file this plan with California and Minnesota per the applicable regulations.

Patients can also obtain information on the Alexion Pharmaceuticals website at www.alexion.com or by calling Alexion Pharmaceuticals at 888-765-4747.
